

## “Let’s Get Ready”

Rocky River United Methodist Nursery School offers a unique program to help bridge the gap between home and nursery school and aid in that first big separation. There will be free playtime for various activities such as manipulative toys, blocks, water play, art activities, and easel painting. A short group time will include a story, finger plays, songs and movement activities. Each session will include gym or playground time.

The class will meet on Monday mornings from 9:00-10:30am for **three** consecutive weeks- May 3, May 10 & May 17, 2010—with a fee of \$50.00. A parent **must** attend with his/her child and be an active participant in the class. Parents interact with their child and provide discipline to their child if needed.

If you are interested in joining us, please return the registration portion of this letter along with your application for next fall’s class. This class is also a good way to see if your child is ready for school. Please let your friends and neighbors know about it.
